N. B.—Steps are being taken in the matter of appointing successors to the deceased members.

I. Read the details of accounts of receipts and expenditure for the months of October November and December 1905.

Recorded.

II. Read Government Order No. 9079-86—L. B. 315-05-2, dated 5th March 1906, requesting the Board's opinion as regards the proposal of the Vice-President of the Mysore District Board to exempt the carts of the agriculturists from the payment of tolls.

The Board are of opinion that it might be inconvenient to make that exemption. To distinguish the carts of agriculturists some permanent mark would have to be put upon them and if an agriculturist chooses to sell such a cart, the purchaser, though no agriculturist, could sail under the color of one. Frequent loans of such carts might help to defraud the tolls to the mutual advantage of the owner and barrower. A certificate of exemption in lieu of the mark on the cart would not improve matters as the certificates too can be loaned. The particular reasons that induced the recommendation of the Mysore District Board are not apparent from the Government Order under reply.

III. Read Government Order No. 9839-48—L. B. 81-05-6, dated 23rd March 1906, calling for the opinion of the President and that of the Board in the matter of introducing the rules proposed by the President of the District Board, Mysore, for exempting the agriculturists from payment of tolls and for regulating the traffic on the Mysore-Manantoddy road in the Heggaddevankote Taluk.

Resolution.—The Board are of opinion that the proposed rule regarding a composition fee may be adopted. With regard to the carts of persons whose primary occupation is agriculture, the opinion given in reference to the order of 5th March above, applies here also. Undersigned agrees with the Board and would add with reference to the carts of agriculturists that it is a vexed question at every jamabandi, involving assertions by the village officials and denials by the cart-owners as to whether the cart was primarily used for agriculture or for trade. Every case involves a reference to the land possessed by each objecting individual in order to judge from its extent whether the cart could be considered to be used more for agriculture or more for trading. In undersigned's opinion the exemption from the cart tax is sufficient concession. To furnish a list of agriculturists to the toll-gate keeper may not suffice for reasons given to the other Government Order. It is not possible for him to remember the faces of all the agriculturists and be able to identify them; and even if that becomes possible, there will be trouble when a relation or servant tries to take the cart through the gate.

IV. Read Secretary's docket No. 10230—L. B. 387-05-2, dated 2nd April 1906, requesting that the matter of the transfer of Hutridurga Sante to Nittur in Kunigal Taluk may be placed before the Taluk and District Boards and that copies of their resolution may be submitted; and Kunigal Amildar's report No. 622, dated 25th April 1906, submitting the resolution of the Taluk Board on the subject.

Resolution.—As the more important points have not been considered, the subject will be remitted to the Taluk Board for reconsideration. It is observed that the Amildar was not able to preside at the meeting.

V. Read Secretary's docket No. 10414—L. B. 432-05-1, dated 16th April 1906, forwarding for consideration of the Board, D. R. A. subject in the matter of providing accommodation for sick persons by constructing a ward at Maddagiri and the reply of Government thereto; and letter No. 304, dated 13th September 1905, from the District Medical Officer, Tumkur District, with reference to the same subject stating that there is an in-patient ward attached to the dispensary at Maddagiri and it is not much used by the public and that additional accommodation is useless and unnecessary.

Resolution.—The existing ward is not used as much as it should be and no additional accommodation is necessary.

VI. Read Secretary's docket No. 10415—L. B. 433-05-1, dated 16th April 1906, forwarding for necessary action the D. R. A. subject representing that a road from Maddagiri to Hindupur may be laid out, that a musafirkhana at Kodigenhalli may be constructed and that, if,

necessary, a toll may be levied on carts to meet the cost required for laying out the road and the reply of Government thereto.

Resolution.—The first two questions were considered at the meetings of the 7th August 1905 and 8th February 1906, and the Board's resolution was recorded by Government in Order Nos. 2256-6—L. B. 18-05-3 and 2341-3—L. B. 19-05-2, dated 31st August 1905 and 5th September 1905, respectively. As there is no intention now of converting the cart-track into a regular road it is premature to consider the question of establishing tolls.

VII. Read Secretary's docket No. 10416—L. B. 420-05-1, dated 12th April 1906, forwarding for necessary action D. R. A. subject in the matter of opening a road from Halkur to Honnavalli and the reply of Government thereto.

Resolution.—On receipt of the estimate which is being made by the Executive Engineer, Tumkur Division, the matter will be considered.

VIII. Read Secretary's docket No. 10417—L. B. 419-05-1, dated 12th April 1906, forwarding for information D. R. A. subject *in re* opening a Local Fund Dispensary at Kodigenahalli and the reply of Government thereto.

Resolution.—The Taluk Board will be asked to consider and give their opinion as to whether Kodigenahalli admits of a periodical visit by the Hospital Assistant and if there is a suitable building there where he can examine patients and prescribe.

IX. Read Secretary's docket No. 10520-7—L. B. 422-05-1, dated 11th April 1906, forwarding for information D. R. A. subject *in re* the increase of salaries of the officials of the District Board President's Office establishment, etc., and reply of Government thereto.

Resolution.—Recorded.

X. Read Secretary's docket No. 10346—L. B. 425-05-1, dated 6—14th April 1906, forwarding for needful action D. R. A. subject regarding the formation of a road from Amruthur to Huliyurdurga and the reply of Government thereto.

Resolution.—The Board invite attention to their resolution at the meeting of the 3rd November 1905, forwarded with docket No. 483, dated 13th November 1905.

XI. Read Secretary's docket No. 10350—L. B. 428-05-1, dated 6—14th April 1906, forwarding for information D. R. A. subject stating that parapet walls may be put up along the edges of the bund of the Nonavinkere tank and the reply of Government thereto.

Resolution.—The Executive Engineer is of opinion that the cost would be high. Whenever possible the bund is being widened.

XII. Read Government Order No. 10880—L. B. 378-05-1, dated 23rd April 1906, sanctioning a contribution of Rs. 15,000 from the Local Funds General for sinking drinking water wells in the district.

Resolution.—The Board tender their thanks to Government for their solicitude in providing drinking water over the district.

XIII. Read Government Order No. 32284-2—L. B. 4-04-16, dated 25th September 1905, sanctioning Rs. 8,100 to be allotted as permanent advances to the District Boards for distribution among the taluks as the District Board deems fit.

Resolved that the sum of Rs. 1,160 allotted to this district may be distributed at Rs. 50 to each Union and Rs. 75 to each Taluk Board and Rs. 10 to the President's office.

XIV. Read and approved of the list of works sanctioned as per accompanying statement.

XV. Read and approved of the list of furniture worth Rs. 355-4-0 to be supplied to the 3rd class travellers' bungalows in the district.

XVI. Read and approved of the enclosed list of estimates for works received from the Executive Engineer, Tumkur Division.

XVII. Read Kunigal Taluk Amildar's report No. 540, dated 16th March 1906, proposing that a Sante may be ordered to be held at Huliyurdurga.

Resolution.—A large Sante is being held at the village of Nidasale which is four miles from Huliyurdurga and no Sante need be held in Huliyurdurga.

XVIII. Read yadi No. 689, dated 7th April 1906, from the Assistant Commissioner in charge of the Gubbi group of taluks, forwarding Tiptur Taluk Amildar's report submitting the recommendation of the Taluk Board to appoint a Native Doctor at Honnavalli to afford medical aid to the people of Honnavalli hobli, etc.
